Hello all,

Amber sent me some of OGC's comments on the treated seed petition briefing paper. I will try to incorporate some of their points into the discussion today but if there are any that stand out to you before the meeting let me know and I can make sure to bring those up.

Best,
Quinn

Quinn – In advance of the meeting today I wanted to get some quick thoughts from me, Angela and Erin in my office. Angela and Erin are both at the Assistant level in PTSLO.
